Available in Antique, Polished Brass or Soane's special Topkapi Gilt.

Can be hung in both portrait and landscape, please confirm when placing your order.

Supplied with cabinet hanging wall rails. Screw wall piece level on the wall using the many fixing holes. The wall piece is slightly shorter than the strip on the mirror to allow for movement sideways to help adjusting once the mirror is on the wall.

All of our metal finishes are hand applied, living finishes and unlacquered, and we expect these to age and patina over time, this includes our samples.

This design has been made for the domestic use and has not been tested for a non-domestic environment.
