Vellum is a natural material and every hide has different characteristics. Vellum often has an uneven surface and indentations are typical features.

All of our metal finishes are hand applied, living finishes and unlacquered, and we expect these to age and patina over time, this includes our samples.

Soane lighting designs and products are fully compliant with industry regulations LIAQA accreditation. We can provide either a CE Declaration of Conformity (for Europe), or a UKCA Declaration of Conformity (UK only).

This design has been made for the domestic use and has not been tested for a non-domestic environment.
