THE DAISY MIRROR - LARGE

Details

Available in Antique and Polished Brass or Soane's special Topkapi Gilt.

Supplied with 2x cabinet hanging wall rails (one to ensure horizontal alignment, one to ensure vertical alignment). Screw wall piece level on the wall using the many fixing holes. The wall piece is slightly shorter than the strip on the mirror to allow for movement sideways to help adjusting once the mirror is on the wall.

All of our metal finishes are hand applied, living finishes and unlacquered, and we expect these to age and patina over time, this includes our samples.

This design has been made for the domestic use and has not been tested for a non-domestic environment.
